Cypress High School
School Accountability Report Card
Reported Using Data from the 2018-19 School Year
Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Educational Highlights:

Cypress High School is a comprehensive campus for grades 9-12 with a current enrollment of approximately 2965 students. Cypress High School is also a Gold Ribbon and California Distinguished School that is committed to preparing all students for college and career readiness, and as part of our Partnership for the 21st Century, students are utilizing collaboration, verbal and written communication, creativity, and application of learning or project-based assessments as part of all students' academic/classroom experience. The school maintains a rigorous academic focus, in which all curricula are closely aligned with California State Standards, with an emphasis on preparing students for the college arena. Cypress High is among the top academically performing schools in the state. Academic achievement is ranked in the top decile for schools statewide and in 100 similar schools. Cypress High School offers a wide variety of electives, which support the Career Pathways Program, visual and performing arts programs, athletic programs, and advanced placement and honors-level courses to enhance students' preparation for college entrance. Cypress High School maintains high expectations for student behavior and academic progress.

Cypress High School offers a wide array of courses, which meet University of California A-G requirements. Nineteen Advanced Placement (AP) courses are offered (in 49 sections); and, all students are expected to enroll in A-G coursework. From the Graduating Class of 2017, 69.4% percent of graduating seniors completed University of California A-G admission requirements.

Opportunities for visual and performing arts include band, orchestra, dance, drawing and painting, digital photography, and Advanced Placement Studio Art. World languages are offered in Spanish (including Spanish for Spanish speakers), French and American Sign Language. Career Technical Education (CTE) Pathways include: Design Visual and Media Arts, Media Production, Child Development, Patient Care, Information Support and Services, Software and Systems Development, and Food Services and Hospitality. Regional Occupational Program (ROP) classes in Child Development, Patient Care, Child Care, Public Safety, and Legal Professions are offered on campus during the regular school day. Various other ROP programs are offered to students after school as well. Additionally, Cypress College has partnered with the AUHSD to offer Dual Enrollment for students in Cyber Security Pathway, Theater Arts, and Court Reporting.

Support classes to help close the achievement gap include special education collaboration classes and/or support in ELA, Mathematics, Science, Social Science and Elective courses. After-school peer tutoring is provided two days per week by the California Scholarship Federation with teacher supervision and support.

Cypress High School extra-curricular activities include 51 student clubs and 43 athletic teams.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2018

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	English language arts textbooks, Houghton Mifflin Harcourt-Collections, were adopted in 2014-15. There is one textbook available per student.	Yes	0
Mathematics	Mathematics textbooks, by Carnegie Learning, were adopted in 2018-19. Course appropriate, standards-aligned instructional materials have been selected for each mathematics course. There is one textbook available per student.	Yes	0
Science	Science textbooks, Pearson-Essentials of Anatomy and Physiology, and Pearson-Biology were adopted in 2006-07. Science textbooks that support Advanced Placement courses are adopted as needed, the most recent adoption occurring in 2018-19, Pearson-Campbell Biology in Focus, AP Edition. There is one textbook available per student.	Yes	0
History-Social Science	History/Social science textbooks were adopted in 2018-19. For our seventh-grade classes, Cengage Learning-World History: Medieval and Early Modern Times, CA Student Edition was adopted. For our 10th-grade classes, McGraw-Hill-World History, Culture, and Geography: The Modern World, CA Student Edition was adopted. There is one textbook available per student.	Yes	0
Foreign Language	Foreign language textbooks are adopted as needed by course. Several courses adopted new textbooks, Houghton Mifflin Harcourt-Avancemos and Houghton Mifflin Harcourt-Bien Dit, in 2016-17. Additionally, supplemental books continue to be adopted each year. There is one textbook available per student.	Yes	0

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Health	Health textbooks, McGraw Hill-Teen Health and Goodheart Wilcox-Comprehensive Health, were adopted in 2016-17. There is one textbook available per student.	Yes	0
Visual and Performing Arts	Visual and performing arts students have access to course appropriate textbooks and instructional materials.	Yes	0
Science Laboratory Equipment (grades 9-12)	All science labs at Cypress High School have the following equipment: tables with chemical-resistant tops, stools at lab tables, white boards/chalk boards for demonstrations, one complete set of glassware per classroom, linear measuring devices (meter sticks, 12"/6" rulers, etc.), course appropriate charts, hot plates, triple-beam and/or top-loading balances, thermometers, overhead projector, LCD projector, ELMO projector, VCR/DVD player, and laserdisc player. Most labs have additional equipment appropriate for the courses being taught in the room.	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

Cypress High School opened in 1973. The 39.7 acre site includes 70 regular classrooms. Additionally, there are seven specialized rooms for classes in culinary arts, choral music, instrumental music, dance, pre-school, and two weight conditioning rooms for athletics. There are15 recently modernized classroom labs, ten for science, and five for computer technology. The site also includes a cafeteria, a library/media center which houses two additional computer labs, an auditorium, two gymnasiums, a pool facility and a variety of sports fields.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

Modernization/new construction: The most recent Cypress High School project, about 7 years ago, yielded 16 additional classrooms, a practice gym, and additional student and staff parking. Modernization also included 9 campus buildings, and encompassed 72 classrooms.

The most recent site inspection was completed on October 11, 2019.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	47	48	27	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2018-19)

Cypress High School has nine career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2018-19 school year courses were offered in the following career industries: Arts, Media & Entertainment; Education, Child Development, and Family Services; Business & Finance; Health Science & Medical Technology; Hospitality, Tourism, and Recreation; Information Technology; Marketing, Sales, and Service; and Public Services.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on universal design for learning, ensuring that all students can access the curriculum. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents are actively involved in the school through Parent Teacher Student Association (PTSA), booster clubs for athletics and performing arts, School Site Council (SSC), English Learner Advisory Committee (ELAC), and other special committees. Parents are invited to attend a variety of informational nights throughout the year to learn about topics such as freshman orientation, scholarships, college financial aid, and parenting strategies. Parents are invited to participate in Parent Learning Walks on campus, including specific language-based learning walks for those parents who are English, Spanish, Korean and Arabic speakers. Parents have the opportunity to communicate with teachers on a daily basis through the use of academic planners (required for all students), email, and phone calls. Parents may access their students' academic, attendance and behavioral information using the Aeries and Schoology student database parent-portals. Information regarding school activities, events, and counseling services are posted on the school website at cypress.auhsd.us and are also communicated via Aeries Loop and California Colleges. Parents are encouraged and expected to be part of their student's education and to meet with staff members to improve the learning experiences for their students.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

• High school dropout rates; and
• High school graduation rates.

School Safety Plan (School Year 2019-20)

School Safety Plans are reviewed, discussed, and updated on an annual basis. Input is gathered from staff, students, and community resource groups along with the School Site Council in order to determine any needed changes. The Cypress High School Safety Plan is implemented by staff members. No less than four safety/evacuation drills are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills.

Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to two non-student days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in the Teacher Induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Anaheim High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
